11th October 2016

Dr. Fatma Odaymat
Al-Rayan International School
Accra

Dear Dr. Fatma,

Thank you, from all the team of RFCA Ghana

We are honored to report that this year main fundraising and awareness event, the now traditional 5K Run/Walk For A Cure, was a resounding success, with over 930 participants! It is such a high energy, positive event, and a strong channel to raise awareness. This success would not have been possible without the precious support of **ARIS**.

It is a true privilege to count with you to support the fight of the number one killer cancer in Ghana. Your backing helps us make a real difference in the fight against breast cancer, and our vision to turn the mortality rate into the survival rate.

RFCA Ghana's work continues ahead throughout the year. Your support allows us to maintain our yearlong educational and mass screening campaigns as well as provide funding and a support network from the Survivor's Treatment Fund so that economically challenged women diagnosed with breast cancer seek immediate treatment.

From the team of RFCA Ghana, Thank You! And it is never too soon to start training for next year!

To learn more about our yearlong work, please visit us at www.runforcureghana.org or follow us on [Twitter](#) [Facebook](#) [Instagram](#) and let us know how we're doing.!

Milagros Chirinos de Mensah
