---------------------------------------	-------------

Can be purchased from Kingdom, Acrilex, Pen & Paper or other major stores

Lockers/Valuables

Students are issued lockers to keep their books and personal items in them. **Students in Year 7-9 are responsible for providing their own lock.** All lockers are subject to audits by administrative staff at any time. If your ward loses his/her locker key, ARIS caretakers will cut the lock and your ward will have to purchase a new one.

Art Supplies

If you have any of the supplies listed above, you do not need to buy new ones. The art room has supplies for all students, the art supplies listed above will be used for specific class/home projects, unless otherwise stated.

Exercise Book Packages

All students in Years 7 to 13 must purchase the exercise package from ARIS. Sorry, no outside books will be accepted. If you have any books left over from last year, you may use them.

All Items must be Clearly Labeled

Please use permanent markers or iron-on labels to mark your child's name on their belongings clearly. This simple step can save time, prevent confusion, and ensure your child's belongings are not misplaced or lost.
