

**SECONDARY ADMISSION PROCEDURES TO THE AL-RAYAN INTERNATIONAL SCHOOL****PLEASE READ CAREFULLY**

Thank you for your interest in ARIS and for your enquiry for the admission of your son or daughter. To be considered for entry, please complete the attached Registration Form and submit this and the other documentation stated, to ARIS. However the completion of this form does not guarantee admission but we hope to be in a position to welcome you soon to the ARIS community.

You are asked to provide the following on application turn in:

- Completed registration packet
- Copy of child's completed immunization card (must be verified by physician on page 7)
- Copy of child's passport/birth certificate
- Two passport size photos
- Most recent school reports: Reports/transcripts for previous (2) school years
- The required application fee \$50, NON REFUNDABLE.

Admission is conditional upon parental agreement that students will participate fully in the curriculum and all related activities. The school curriculum does not include elements that would be disrespectful to any race or religion.

The School has a limited capacity and at times may have to operate with a waiting list; in that event priority is given to siblings of current students in good standing. Children will be asked to take a test to demonstrate an appropriate level of English competence relevant to their age group. A child's place on the waiting list is determined by the date the application is completed and all documentation and payments are received.

Once the admission documentation has been received and if it is realistic that a place will become available, the school will arrange an admission assessment. It will be carried out at school.

Once a starting date is agreed, the school requires that all documents are completed and all fees are paid in full before the student commences school. Your attention is drawn to the Fee Structure. See accountant.

Should it transpire that the school cannot offer education appropriate to a particular child's needs, the parents may be requested to withdraw the child. In the highly unlikely event of a student causing serious disciplinary problems, parents may also be requested to withdraw their child.
