

Tech Manager: The Tech Manager will be a member of the whole School, reporting to the Director. He or She is to provide leadership and assume management responsibility for the direction, coordination, integration and implementation of technology across all schools and departments. He or She will be responsible for planning, purchasing recommendations, installing and maintaining physical technology systems of the school in a condition of excellence enabling full educational use of technology at all times in compliance with local, and International Data Protection law. He or She will have responsibilities that range from strategic and long range planning and implementation of system wide technology solutions, to providing one-on-one, and group training and support. Experience working in the education field is important for understanding how technology supports educational outcomes, where technology funding sources can be accessed, and that a culture of collaboration and creativity can support success. He or she will play a vital role in delivering the vision for education at Al Rayan International School. He or She will have effective leadership, management communication and inter-personal skills.
