

IBDP Physics Teacher: A graduate subject specialist with a teaching certification. A minimum of three years teaching experience in a reputable institution is preferred. Experience with teaching the IB Diploma Programme will be an asset. Dedication to the job, subject-specific expertise, student centred teaching approaches, the ability to apply differentiation in the classroom, effective classroom management as well as good relations with students, staff and parents are the qualities sought.

She or He should teach students in a way that will enable them to gain a commitment to, skills in, and a thorough knowledge of physics.
