

### **IB Diploma Programme (DP-CP) Economics Facilitator**

The IB DP-CP Economics Facilitator is responsible for delivering high-quality, challenging, and comprehensive economics education within the framework of the International Baccalaureate Programme (IB DP/CP). This role involves teaching and guiding students through the DP Economics curriculum, fostering critical thinking, and preparing students for international examinations.

#### **He/She should:**

- Be able to integrate real-world applications and economics modeling into lesson plans.
- Deliver engaging and differentiated lessons to accommodate diverse learning styles and abilities.
- Provide timely and constructive feedback on assessments to support student learning and improvement.
- Prepare students for internal and external IB DP/CP Economics assessments and examinations.
- Incorporate technology and digital tools into economics lessons to enhance learning experiences.
- Participate in interdisciplinary projects and activities that connect economics with other subjects.

### **Qualifications:**

- A graduate subject specialist with a master's or bachelor's degree in Economics, Economics Education or a related field with a teaching certification.
- Experience teaching IB DP/CP Economics courses is highly desirable.
- In-depth knowledge of the IB DP/CP Economics curriculum and assessment criteria.
- A minimum of three years of teaching experience in a reputable institution

### **Qualities:**

Dedication to the job, the ARIS core values, subject-specific expertise, student centred teaching approaches, the ability to apply differentiation in the classroom, effective classroom management as well as good relations with students, staff and parents are the qualities sought.

She or He should teach students in a way that will enable them to gain a commitment to, skills in, and a thorough knowledge of Economics.
